SHRI SUSHILKUMAR SAMBHAJIRAO SHINDE:

Will the Minister of LABOUR be pleased to state:

(a) whether it is a fact that Government propose to evolve a National Wage Policy for the benefit of the poor labourers in the country;

(c) whether any commission has been set up in this regard; and

(d) if not, what are the reasons therefor?

THE MINISTER OF STATE OF THE MINISTRY OF LABOUR (SHRI P. A. SANGMA): (a) to (d) The issue relating to formulation of a National Wage Policy has been considered by various fora in the past. A Group of State Labour Ministers in September, 1985 decided that it might not be feasible to frame a National Wage Policy at the present stage. This subject was also considered by the Indian Labour Conference (ILC) held in November 1985. The ILC expressed the view that "till such time a national wage is feasible it would be desirable to have regional minimum wage in regard to which the Central Government may lay down the guidelines. The minimum wages should be revised at regular periodically and should be linked with rise in cost of living". Accordingly, the Government have issued guidelines on Regional Minimum Wages in July, 1987 to all the State Governments and Union Territory Administrations The State Governments/U.T. Administrations were also requested to provide for variable Dearness Allowance linked to consumer price index, as a part of minimum wages, to be revised every 6 months.
